*American Home Elevator Co.*

## ***We Service and Install Residential Accessibility Lifts***

**Residential Elevators / Stair Lifts / Vertical and Inclined Platform Lifts / Dumbwaiters**

### **Keep Your Home Accessible and Visitable**

Could you or someone you know live in their home no matter their age or ability level. Have you considered the cost of renovating to a main floor master bedroom, moving, or being in a nursing home. If you are like the majority of Americans, you want to continue living in your familiar environment. We think that accessibility is something everyone should consider. At American Home Elevator, we can help you live in your home safely, independently and comfortably regardless of your age or ability level.

- Serving Ohio Since 1976.
- Authorized dealer for top manufactures providing accessibility equipment.
- Work closely with our clients to provide them with the lift product that will best meet their needs and unique situation.
- Service is our buisness we are not just an installation company.
- Our qualified technicians service over 1,000 accessibility units throughout the region.
